

Merydian Placement Partners Ltd is an independent care advisory and placement service based in the UK. We act as a complimentary concierge for self-funding families, facilitating rapid and safe transitions from NHS hospital wards into premium private care homes.

Core Service Values for Partners

NHS Discharge Efficiency

We mobilise immediately upon referral to identify suitable placements, directly supporting hospital discharge hubs in meeting urgent timelines.

Independent Advisory

We are not a referral network. We work exclusively for the family to find the best clinical and social match, maintaining total impartiality.

Zero-Cost Model

Our concierge service is entirely complimentary for families and partners. We receive no fees from the NHS or hospital trusts.

Premium Curation

We pre-vet private care homes for quality of care, environment, and availability, ensuring high-standard transitions.

Legitimacy & Compliance

Company Status

Registered Limited Company (England & Wales)

Active

Service Scope

Non-regulated advisory and concierge placement (Non-clinical)

Data Protection

ICO Registered & GDPR Compliant for sensitive health data handling

Professional Standards

Independent care advisory protocols with full professional indemnity

Partner Verification Points

Partners can verify our engagement with families through our formal **Care Needs Assessment** and **Placement Coordination Plan**, which are shared with discharge coordinators upon family consent. We act as the single point of contact for all administrative and logistical requirements between the hospital and the receiving care home.
